

REMARKS

Claims 27-46 are currently pending. Claims 19-26 have been cancelled.

The Examiner has identified in the application the following patentably distinct inventions:

- I. Claims 19-26, drawn to a method of manufacture a diaper, classified in class 156, subclass 209; and
- II. Claims 27-46, drawn to a method to emboss a sheet, classified in class 264, subclass 284.

The Examiner has required election of one of the inventions for prosecution. Applicant respectfully elects to prosecute the invention of claims 27-46. Applicant has cancelled the remaining claims without prejudice and reserves the right to file a divisional application directed to the subject matter of the cancelled claims.

The Applicant's undersigned attorney is available for a telephone conference to discuss the application.

Respectfully submitted,

Thomas J. Otterlee
